

FISHER HOUSE WISH LIST

The Fisher House Foundation is very generous and new Fisher Houses come fully furnished, but there are things the Foundation does not provide or which we need on an ongoing basis. In addition, while the VA funds day-to-day operational costs, including utilities and salaries, each Fisher House is responsible for the on-going provision of comfort items, non-perishable foods, etc. through voluntary donations. Based on this, some of the items we are in need of include:

Gift cards - To stores such as Roche Brothers, Stop and Shop, Shaws. These likewise provide us flexibility to fill unanticipated, specific needs of our guests

Kitchen Supplies – rolls of paper towels, individual frozen dinners, kleenex

Individual Bottled Waters always appreciated by our guests.

Due to health and safety issues, we are only able to accept donation of new items.

Please feel free to call VA Voluntary Service at 857-203-5135, or the Fisher House 857-203-4000, for further details on any items noted above.
